

Press Release

Press Release: NOUVEL to participate in CCSIE Open House on Sep 28

(Geneva, Switzerland) Sep 14, 2010. The Business Information Security Competency Center (CCSIE: le Centre de Compétence pour la Sécurité de l'Information des Entreprises) at the Geneva School of Business Administration (HEG: Haute École de Gestion de Genève) will be hosting an Open House on Tuesday, Sep 28, at 18:30.

There will be a short program during the open house:

- 18:30: Welcome (Rolf Hauri, Director CCSIE, HEG Genève)
- 18:45: The Swiss Legal Framework for Small and Medium Businesses (SMB's) (Stephane Kronbichler, Kronbichler & Tourette Avocats)
- 19:15: CPI-RISC: A Methodology for Information Security for SMB's - (Christophe Nemeth and Jim Herbeck, NOUVEL Strategies)
- 19:30: Conclusion and apéritif

During the open house, information will be available on the CCSIE's educational programs:

- SMB-RISC: Risk Management, Information Security, and Compliance for SMB's.
- SANS Institute training: technical courses for IT and information security professionals.
- MBA MSSl: graduate degree program for information security professionals.

The Open House will be held at:

HEG Haute Ecole de Gestion de Genève
7, route de Drize
1227 Carouge

Notes for Editors:

About HEG: The CCSIE provides pragmatic information to businesses about information security through business-oriented applied research and training courses for managers and security professionals. The Center also provides a platform for information sharing among businesses, research organizations, and vendors. The CCSIE and HEG are part of the University of Applied Science - Western Switzerland (HES-SO: Haute école spécialisée de Suisse occidentale).
